

Scholarship Applicants Being Sought

The Somers Senior Citizens' Club's Carol A. Dion Scholarship Program is seeking scholarship applicants. Although the number of scholarships to be granted has not as yet been determined, the amount of any scholarship awarded will range from \$500 to \$1,000. All applicants must be residents of Somers and must be graduating from an accredited high school. Applicants must be planning to attend (and have been accepted by) a four/two-year college or a fully accredited/recognized Continuing Education Program which will result in receiving a certificate or a license. Applicants will be reviewed based on academic performance, character, extra-curricular activities in school and in the community, and information contained within the application package. For those students who attend the Somers High School, the 2009 Application Forms are now available through the Somers High School Guidance Office. For those students who reside in Somers but attend other high schools, application forms are available by calling 749-1347.

All completed application packages (including the specifically required recommendation letters and copy of transcript) must be received **by April 18, 2009**. Incomplete application packages or those received after the deadline will not be considered. Send all completed application packages to Scholarship Committee, Somers Senior Citizens' Club, P. O.
