

Somers Seniors Aids Youths

Somers Seniors gathered Friday August 21 to put together School Supplies for the Somer's Youth. With the difficult economy, Job lay-offs, and rising costs many families are finding it difficult to get by. And sadly our children are often caught in the middle, but Somers refuses to allow our children to fall behind. Here the simplest and basic of supplies had been donated by both Seniors and the Town of Somers. Back Packs & Supplies will carry our youth through the

beginning school year. (pictured left several Somers seniors, right Somers Senior Citizen's Club President Arlene Yarnes and Somers Human Services Director Jenifer Charette.)
